

Insurance Provisions

SUBCONTRACTOR'S INSURANCE

Before commencing the Subcontract work, and as a condition precedent to any payment, the Subcontractor shall purchase and maintain insurance in conformance with the provisions contained in this Exhibit. This insurance will provide a defense and indemnify the Contractor, but only with respect to liability for bodily injury, property damage and personal and advertising injury caused in whole or in part by the Subcontractor's acts or omissions or the acts or omissions of those acting on the Subcontractor's behalf.

Proof of this insurance shall be provided to the Contractor before the work commences, as set forth below. To the extent that the Subcontractor subcontracts with any other entity or individual to perform all or part of the Subcontractor's work, the Subcontractor shall require the other Sub-Subcontractors to furnish evidence of equivalent insurance coverage, in all respects, terms and conditions as set forth herein, prior to the commencement of work by the Sub-Subcontractor. In no event shall the failure to provide this proof, prior to the commencement of the work, be deemed a waiver by the Contractor of Subcontractor's or the Sub-Subcontractor's insurance obligations set forth herein.

In the event that the insurance company(ies) issuing the policy(ies) required by this exhibit deny coverage to the Contractor, the Subcontractor or the Sub-Subcontractor will, upon demand by the Contractor, defend and indemnify the Contractor at the Subcontractor's or Sub-Subcontractor's expense.

This insurance shall remain in effect as set forth below, in the "Continuation of Coverage" provision.

It is expressly understood by the parties to this Contract that it is the intent of the parties that any insurance obtained by the Contractor is deemed excess, non-contributory and not co-primary in relation to the coverage(s) procured by the Subcontractor, the Sub-Subcontractor or any of their respective consultants, officers, agents, subcontractors, employees or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of the aforementioned may be liable by operation of statute, government regulation or applicable case law.

To the fullest extent permitted by applicable state law, a Waiver of Subrogation Clause shall be added to the General Liability, Automobile and Workers Compensation policies in favor of Contractor and Owner, and this clause shall apply to the Contractor's and Owner's officers, agents and employees, with respect to all projects during the policy term.

Prior to commencement of work, Subcontractor shall submit a Certificate of Insurance in favor of Contractor and an Additional Insured Endorsement on ISO Forms CG 20 10 and CG 20 37 (or substitute forms providing equivalent coverage) as required hereunder. The Aggregate Limit shall apply per project. The Certificate shall provide for thirty (30) days' notice to Contractor for cancellation or any change in coverage. Copies of insurance policies shall promptly be made available to the Contractor upon request.

NO LIMITATION ON LIABILITY

With regard to any and all claims against the additional insured by any employee of the Subcontractor, anyone directly or indirectly employed by the Subcontractor or anyone for whose acts the Subcontractor may be liable, the indemnification obligation shall not be limited by any limitation on the amount or type of damages, compensation or benefits payable by or for the Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

CANCELLATION, RENEWAL AND MODIFICATION

The Subcontractor shall maintain in effect all insurance coverages required under this Agreement at the Subcontractor's sole expense and with insurance companies acceptable to the Contractor until final completion and acceptance of the entirety of the Subcontract Work; or longer if so provided in the Agreement such as with respect to completed operations coverage. Certificates of insurance showing required coverage to be in force must be delivered to the Contractor prior to commencement of the Subcontract Work. In the event the Subcontractor fails to obtain or maintain any insurance coverage required under this Agreement, this shall be considered a material breach of the contract, entitling the Contractor, at its sole discretion, to purchase such equivalent coverage as desired for the Contractor's benefit and charge the expense to the Subcontractor, or, in the alternative, exercise all remedies otherwise provided in the contract, or as permitted by law or equity.

CONTINUATION OF COVERAGE

The Subcontractor shall continue to carry Completed Operations Liability Insurance for at least three (3) years after either ninety (90) days following Substantial Completion of the Work or final payment to the Contractor, whichever is later. The Subcontractor shall furnish the Contractor evidence of such insurance at final payment and in each successive year during which the insurance coverage must remain in effect.

ACKNOWLEDGMENT OF REFERRAL OF THIS PROVISION TO THE SUBCONTRACTOR'S INSURANCE AGENT OR BROKER

The Subcontractor represents that it has provided a copy of the "Insurance Provisions" to his insurance agent and/or broker, and that the Subcontractor has instructed the agent/broker to provide insurance in full compliance with the terms and conditions herein.

The Subcontractor hereby acknowledges that this Exhibit is considered a material term of the Subcontract.
